Dear Dr. Kreeger:

I received a letter from Mr. George Stromberg today concerning a Jewish Federation contribution, in the course of which he wrote as follows:

"I understand the Dr. Emmanuel Friend Home is nearing completion. My sister, Mrs. Friend, is practically the sole representative of this family, and if there is to be any dedication ceremonies, she should be advised of same."

I have assured Mr. Stromberg that his sister will be advised of any dedication ceremonies. Will you please note your records accordingly?

Sincerely yours,

Henry Bauling
