### **CHANGING CONCEPTS IN CONVALESCENCE**

HENRY H. KESSLER, M.D.  
Medical Director,  
Kessler Institute for Rehabilitation  
West Orange, New Jersey

Internationally renowned for his contributions to the fields of orthopedics and rehabilitation, this orthopedic surgeon has served as a consultant to the United Nations, the United States Army, the National Research Council, and numerous federal, state, and individual hospital programs. He is a member of the Council on Physical Medicine and Rehabilitation of the American Medical Association.

Following the program, a tour of the new building will be conducted, and cocktails and buffet luncheon will be served.

**R.S.V.P.**
