Dear Dr. Greyson

Enclosed are materials from our archival files pertaining to Dr. Friend and the dedication of the pavilion which bears his name. Whenever possible I sent originals but when no copies existed I have made zeroxes. The one exception to this is the letter from Mrs. Alexander Friend; in this case it seems more appropriate that the family have the original and the hospital the copy.

If I can be of any further service in this matter please let me know.

Yours truly,

Patrick McCallig
