Subject: ships!

Nathan Friend born in Storndorf, Germany came over from **Bremen** on the **NGL** line on **Aug. 26, 1881** per his passport data.

I have Googled NGL line - it is the North German Lloyd line, or *Norddeutscher Lloyd* Line, and it had many ships that sailed from Bremen to New York . I then Googled the above date and came up with a NGL ship named the *Strassburg* which arrived from Bremen on Aug. 26. 1881.

Here is a picture of a similar ship in the line:

Now to find a passenger list!!
