Note: re: #5 above: I called "J. Mandelbaum, machinery mover" listed in the Chicago phone book. The business was bought from Joseph Mandelbaum and originally it was on Washington boulevard as said before, but the lady who answered said that Joe was never known as Jacob in her memory. His death certificate should be examined. He died possible after 1969 older than 80.  
1/26/74: Dan Maerker stated today that he had been in error, that his brother Charles told him that it was Joseph not Jacob Mandelbaum, the safe-mover.
